

## Company Profile

### Loan

Advisory Service Pty .Ltd. commenced trading in December 2003. Director Paul Sheppard who came from a successful real estate back ground believing there was a niche market for property owners and buyers regardless of whether they were first home buyers or seasoned investors.

Our goal is to create a client service that is totally focused on quality loan products for our clients and our loan consultants and support staff personally reflect and believe in a true quality service ethos.

### Once our

customers become clients who enjoy a friendly and personal long term relationship with our team, it will give them the confidence to personally refer family, friends and work associates to our company to assist them also with their mortgage and personal loan requirements.

### When

looking for assistance for YOUR own property or personal loan we hope you will consider joining us and become a client for life.
